

International Packaging Conference

International Packaging Conference in Bali, Indonesia, 25-27 August 2016

Keynote speaker: Dr. Jin Kie Shim, President Asian Packaging Federation / APF dan Direktur Korea Packaging Centre

This international conference was attended by around 200 participants from ten countries, which are from Korea, Japan, Philippines, Thailand, USA, Canada, Singapore, China, India and Indonesia.

Participants of this conference come from government institutions such as DIP Thailand, BPOM, BPPT, BBKK and packaging manufacturer, consumable supplier and brand owner of food and beverage, health & nutrition, pharmaceutical industries as well as the certification body, academic and bankers.

Topics on the first day entitled: Challenges, Trends and Sustainability on Future Packaging, who talked about sustainable packaging trends and its effect on ASEAN market. Then in the second day entitled:

On the 25th-27th August 2016 Indonesian Packaging Federation/IPF organized an international conference for two days as well as a host for the annual meeting of Asian Packaging Network/APN in Prama Sanur Beach hotel, Bali-Indonesia. On the third day, was held an annual meeting for Asia Packaging Network/APN which currently chaired by Tunyarut Jinkarn from Thailand.

APN is a group of researchers in packaging related universities and institutions in Asia. APN was established in 2013. The first meeting was held in Korea, followed by China in 2014 and Bangkok, Thailand in 2015, then in Bali – Indonesia in 2016.

Sustainable Food Safety Packaging & Regulation in Asia, especially in ASEAN countries.

This conference was very interesting and participants very enthusiastic, lots of discussions, question and answer, overall participants as well as speakers, very satisfied in having new networks and gets the latest information about trends and regulations of food packaging from various countries in ASEAN and also food safety packaging in the United States.

Thanks you to the sponsors: Rabo bank, Dynapack Asia, Mitsui Chemical Group, DIC Graphics, NPES, Adsale, Wakeni and Kristamedia in order to make this conference a success.
